The image shows a technical pattern for a jacket. It consists of two main pieces: a front piece labeled 'COAT LAYER' and a back piece labeled 'HATTE'. The front piece has a vertical center seam line. A horizontal double-headed arrow at the top indicates the width of the front piece. Below the front piece, there is a small 'X' mark followed by the number '2'. To the right of the front piece, the text '1CM SEAM ALLOWANCE INCLUDED' is written vertically. To the left of the back piece, there is a large 'X' mark. To the right of the back piece, the word 'LOST FABRIC' is printed vertically, with the smaller text 'FOR professional use only' printed below it.

The diagram shows a pattern piece for a jacket. The text "THE BOXY JACKET" is at the top, followed by "POCKET" and "CHEST". A large "X 2" indicates two pieces. A vertical line on the right is labeled "LOST FABRIC" with arrows at both ends. A dashed line on the left is labeled "Fold Line For Cropped Version". A note "1CM SEAM ALLOWANCE INCLUDED" is positioned between the fold line and the lost fabric line. A dashed circle surrounds the entire pattern piece.
